

Department of Justice Accessed Al-Masakin.

[Tucson, May 12, 2004] A routine audit of our weblog at Al-Masakin has revealed that the US Department of Justice has once again made a complete review of Al-Masakin Online.

The DOJ investigated Al-Masakin Online in response to demands made by several Zionist racists that frequent “Little Green Footballs” webpage.

Since the beginning of Masjid Al-Aqsa Intifada in August 2000 Zionists have been using all manner of cyber attacks against the Muslim and anti-imperialist media. Cyber attacks against the Muslim and anti-imperialist media have taken the forms

of hacking, spamming, petitions to webpage host servers, and petitions to government organizations like the FBI. Israeli Zionists first petitioned the FBI against Majdur Travail—then of Marxist-Leninist Newswire—in 2002 after *MLN* declared its support for the Islamic Resistance Movement Hamas and the Popular Front for the Liberation of Palestine simultaneously. The current investigation comes at the hysterical urging of certain fascists alarmed by our principled stance on the Abu Ghraib torture scandal. The Ku Klux Klan Act, 42 U.S.C. ¶ 1983, prohibits private use of the criminal justice system to deprive an individual of 1st Amendment rights. The current DOJ audit is routine.
