

What do you need from your local broadcasters?
Less commercialism? More perspectives? More local programming?

You've tried yelling at the TV,
but it didn't change a thing.

Now come and tell it to the **FCC!**

FREE

Public Hearing
Wednesday, July 21, 2004
Monterey Conference Center
Monterey, California

Don't miss this rare chance.

It is the job of the FCC to make ensure commercial broadcasters meet the needs of local communities.

This FREE Public Hearing is THE ONLY West Coast hearing of the Federal Communication Commission's public comment period to determine how well Local Broadcasters are meeting the needs of Local Communities.

Attend a local workshop to learn more and prepare your testimony:
