The October 22 Coalition to Stop Police Brutality, Repression and the Criminalization of a Generation has been mobilizing every year since 1996 for a National Day of Protest on October 22, bringing together those under the gun and those not under the gun as a powerful voice to expose the epidemic of police brutality

The Coalition also works on the Stolen Lives Project, which documents cases of killings by law enforcement nationwide. The second edition of the *Stolen Lives* book documents over 2000 cases in the 1990's alone. The second volume to this book is now in the works, and volunteers are needed to help with the research and editing. Please contact the National Office at 1-888-NO BRUTALITY or [office@october22.org](mailto:office@october22.org) for more information.
