Stan deeply regrets his gang involvement and has always maintained his innocence of these crimes. While on death row, Stan has written 9 children's books that educate them in how to avoid gangs. He also worked to end gang violence through his "Tookie Protocol for Peace:A Local Street Peace Initiative". His work has resulted in multiple nominations for the Nobel Peace and Literature Prizes. Protest The Execution Of Stanley 'Tookie' Williams

The Walk for Abolition :
End the Death Penalty will walk
in protest of the execution of
Stan 'Tookie' Williams on
Monday, 12th December, 2005.

We have walked since the
1960's every time the State of
California has scheduled an
execution.

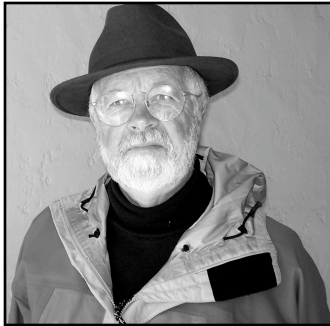

You can either participate in
the whole 'Walk' or you can join
it at rallying points on the way.

We want you to make a
difference on this day. We want
you to join us and be seen to
demonstrate that the State of
California must not carry out
this execution.

We do not want the State of
California to kill in our names.
The death penalty is wrong and
we can live without it. The State
of California can protect itself
without having to kill. Tell
Governor Schwarzenegger to
stop this execution.

Join With Us! Walk For Abolition : End The Death Penalty

If by the 12th of December the 9th Circuit Court of Appeals fails to prevent this execution from going ahead or if the governor does not grant clemency, it is up to **us** to show up, be seen, be heard and walk together. It is up to **us** to be a visible presence in our community to say that this execution does not have to be carried out. It is time. The State of California does not have to execute Stan 'Tookie' Williams to protect itself. The State has the option of Life Without the Possibility of Parole. We do not have to kill. Please see details of the walk overleaf and decide to make the difference to stop the killing.

The walk is led by Lyle Grosjean. He has walked every time the State has scheduled an execution since 1960.
