

Democratic socialism, to me, does not just mean that we must create a nation of economic and social justice. It also means that we must create a vibrant democracy based on the principle of one person one vote.

Bernie Sanders

# Workshop on Socialism for Sanders Supporters

To be effective as Bernie advocates, we must understand his democratic socialism and how it is related to other forms of socialism. As a democratic socialist, Bernie Sanders is leading a political revolution to transform a political system run by the billionaire class into one that represents working and middle class Americans and creates more opportunity for everyone. This workshop will take a closer look at democratic socialism by placing it within the global context of two centuries of struggle against the capitalist system. We will compare the democratic socialism of Senator Sanders with other forms of socialism, including ecosocialism, the Christian socialism of Martin Luther King, and the scientific socialism of Marx and Engels. The workshop will be led by Eugene Ruyle, Emeritus Professor of Anthropology, Cal State, Long Beach.
