Dear customer,

Whole Foods Market is committed to fairness and safety for the people who work on the farms that grow our food. This includes our work with Driscoll's Berries.

Since learning of the allegations against Driscoll's, we have been in close communication with Driscoll's and others to express our concern and learn the facts. Driscoll's has addressed this issue with us directly, and we're encouraged by their proactive approach to pursuing a long-term solution to a complex national issue in Mexico. Driscoll's has shared this approach and addressed concerns openly and directly with its customers: [www.driscolls.com/about/WorkerWelfare](http://www.driscolls.com/about/WorkerWelfare).

We continue to monitor the situation as part of our commitment to ensuring farm worker welfare in our supply chain.

If you have questions, feel free to reach out to us at [wholefoodsmarket.com/customerservice](http://wholefoodsmarket.com/customerservice).

Thank you,  
Whole Foods Market
