**THE HISTORY OF SOCIALISM IN AMERICA**  
**from Robert Owens' utopian experiment in 1825**  
**to Bernie's political revolution of 2016.**

As a democratic socialist, Bernie Sanders is leading a political revolution to transform a political system run by the billionaire class into one that represents working and middle class Americans and creates more opportunity for everyone. This workshop will take a closer look at Bernie's socialism by placing it within the global context of two centuries of struggle against the capitalist system. This will allow a better understanding of how Bernie has adapted socialism to the United States in the Twenty First Century.

A PowerPoint presentation by Eugene Ruyle,  
Emeritus Professor of Anthropology, Cal State, Long Beach.
