

Would you like one or more of these monstrosities to be built in your neighborhood even at the expense of losing your home?

In San Francisco real estate developers have never wielded more political influence at City Hall, resulting in more high rise blight than ever before.

Who Killed Parkmerced? explores the fate of one of San Francisco's most beloved communities, Parkmerced, in the face of overwhelming developer greed and disregard of neighborhood character and liveability. *

World premiere opening at DocFest,

Roxie cinema, Saturday, June 4, 12:30 pm

& Monday June 6, 2017, 7:15 pm

* featuring premiere release of David Rovics song "Gentrification Town"
