We all know Robert is a Trustfund multi-millionaire from his [Parent's](#) dirty money. He's never even worked a single HOUR in his wasted life. Not even the most basic College degree. No Service record. No philanthropy or volunteer work.(No, passing out somebody else's cheap soup doesn't count). Zippo, Nada thing. Total failure from a life of [extravagant](#) privilege.

We also know the ColbyLOSERS have been [EVICTED](#) from their Taxpayer funded "FREE" [housing](#), for stalking and harassing tenants and management, and are [illegally](#) camping on City streets in a POS Toyota Van. Two Welfare parasites since the early 90's.

Why won't Robert help them or anyone else? He claims to be a "Homeless Activist", but he never does ANYTHING to help anyone.

He wastes his time berating the City Council about his "[Civil Right](#)" to stand backwards at the podium.

And giving them the Nazi [Salute](#).

I wonder how many people could have been fed and [housed](#) for the \$120,000 it cost the City for him to LOSE THE COURT CASE?????

Sounds like a great location for A Drive-by-Fruiting! Lots of places to hide, and many different escape routes!....)
