

No Human Being Is Illegal! Stop the “Minutemen!”

**No to
Fascism &
Racism!**

**Human
Rights
for All!**

We're inviting the whole community to join us in a powerful protest against the "Minuteman Project" rally and its racist leaders this Saturday at the state capitol!

**Saturday, October 29th
10:00 am - 2:00 pm
Corner of 15th & N St.**

For months, the "Minuteman Project" has been harassing, threatening, and arresting immigrants as they cross the U.S.-Mexico border in search of a better life. The "Minutemen", in complicity with the border patrol, police, and other racist groups, are trying to increase the militarization of the border. And they have the support of the governor, Arnold Schwarzenegger.

Let's put a stop to these neo-KuKluxKlansmen who are taking the law into their own hands, and violating the rights of others!

No Borders, No Racists!

Sponsored by the Bay Area Coalition to Fight the Minutemen, the "Deport the Migra" Coalition, the Zapatista Solidarity Coalition, the Mexican American Political Association, the Brown Syndicate, and other groups statewide. For more information, call 916 443-3424 or e-mail zapa@zsc.org
